

\$250,000 Set as Goal in Health Seal Sale

When they are set at \$20-25, the Christmas Seal campaign is the largest Thanksgiving day in season of funds with which to fight tuberculosis in Ohio. The seal, this year as always attractive. Black figures on an orange background duplicate the traditional symbols of the holiday season—the triumph of the yule log.

The Christmas seal committee and tuberculosis associations throughout the state are busy with preparations for the 1933 annual Christmas seal sale which will be carried on throughout the nation between Thanksgiving and Christmas.

The money that is raised each year is used to finance a tuberculosis prevention program which includes diagnostic chest clinics; nursing services; health education in the schools; nutrition programs; case finding surveys; the promotion of sanatoria and preventive and camps for undernourished children.

7 Good Reasons why
OLDSMOBILE *is 100% ahead*
in sales in its price range

More than one out of every four buyers in the Oldsmobile price range of eleven cars choose Oldsmobile for its power, quiet and smoothness. 90 h. p., 80 to 85 miles an hour in the Eight; 80 h. p., 75 to 80 miles an hour in the Six. Also, there is the fundamental economy of durability and modern style.

mobile. For Oldsmobile, so far this year, has sold 27 3/4% of all cars in its field—which is 100% greater than Oldsmobile's share of sales in its field in 1952. There are even good reasons for this great Oldsmobile preference.

Style Leadership

Distinctive modern style has won for Oldsmobile the reputation of being America's smartest car. Today its popularity is increasing faster than ever.

Performance Leadership

Remarkable flexibility, acceleration

to the Six.

Fisher Ventilation System

Everyone in the car gets fresh air without dangerous, unhealthy drafts. Windshield and windows cannot fog.

Outstanding Dependability

In engine, chassis and body, Oldsmobile's exceptional dependability makes it a most economical car.

Value

This year's sales point to Oldsmobile as the real value in its field.

Owner Satisfaction

Oldsmobile owners are enthusiastic. They recommend Oldsmobile to their closest friends.

Price

Oldsmobile looks, performs, and lasts far beyond price and cost. The Six—\$4,495 and up. The Eight—\$5,845 and up, f. o. b. Lansing.

Choose Oldsmobile—the Six or the Leader. Drive the Six or the Eight today—and you will marvel that such a car is priced so low. G.M.A.C. terms, convenient and easy.

Patterns of Less Pronounced Type Feature Styles in Men's Clothing

PATTERNS are still the key to none of these are bold or broad, a glimpse at the suit racks in Marion of these shows. Not the bold and big patterns of the past season yet nothing of distinction has been sacrificed to achieve pattern distinction. Instead of the large overprints and large checks of the spring season we now see more tempered designs. Where checks are shown they are in smaller dimensions than heretofore. While plaids are a factor, those shown are of a more subdued nature. Also stripes play an important part in the vogue yet

models are now made with a soft front. The shoulder itself is natural and the lapels are sharp and close-set. The waistline is moderately high and conforming.

In the single-breasted coats there are both plain and patch pocket models. The lapels are slightly shaped and the waistline fairly high. Shoulders and chests are natural and of soft construction. Change pockets are set higher than usual and in many cases are set high under the sleeve and directly over the side pocket.

Single-breasted vests as a rule have no lapel and button fairly high. Those that bear lapels show the patch modeling and show a broader expanse of shirt and tie.

Trousers have high cut fronts and many of them show front pleats. There is an increased demand for the side strap and slide fasteners at the front such as we have seen on the fancy slacks. In the more conservative models trousers are not as wide as formerly nor are they cut as full in the seat but rather show graceful tapered lines. The wide trousers are now confined to the sport and lounge models.

Hosiery Hues Divided Into Four Groups

Marion women are becoming more and more "stocking conscious", a visit with the girls will show these important items of the wardrobe reveals.

More than ever this year women need to study the stocking charts to learn just what shades to wear with these new winter colors that are so attractive if the right shades are brought together.

This season's colors may be divided into four families: the taupe and gunmetal tones, the brown and beige tones. In these four colors will be found the answer to every hosiery problem according to Marion saleswomen.

The classic gunmetal tones promise to be truly fashionable this season because of the importance of Oxford and eel in the wardrobe. Taupe is also one of the shades that look new again because of its long absence. Taupe may be worn with the new cel, and with all grays of a brownish cast. Its very neutrality promises its becoming one of the favorite shades.

True beige shades are the choice of most Marion women for wear with white and evening pastels. The deeper browns, sometimes color. Ground shades almost all with brown tones. Sporting in these stripes as a rule run to a 1/2 inch intervals.

The principal weaves shown in the fall lines are unfinished woads, worsted chevrons, saxonies and the weightier Harris tweeds.

Double-Breasted Models. The prominence of small stripes and checks plays so well into the styling of the double-breasted jacket that it has become an important factor in the season's mode. The university man who has never been a strong adherent of this type of garment now evidences considerable interest and adoption.

The smaller double-breasted

models are now made with a soft front. The shoulder itself is natural and the lapels are sharp and close-set. The waistline is moderately high and conforming.

Distinctive Designs Feature Season's Offering of Women's Coats and Suits

silhouette in contrast broad shoulders is a feature in the coats and suits in a generous display of the new designs. The play in the smartness of suits is given no small part in the 1938 fall and winter.

As likened the 1933 Chinese pagoda, said it called to mind the Siamese girl. Both as we see it. Skirts are the sarongs that wrap around them, and points and wings that hang on shoulders of the like the pagoda. It is a silhouette, becoming everyone, and extremely for it is adaptable to different versions. Accentuated make waists and hips and that is the goal of a smart woman.

A length for suit coats. In fall suits were made of hip length. These are only a few months ago. But in the colder climes, the shorter jackets are in the fashion with new longer length. The smarter are worn in the smarter. When a suit has a short top, it is usually a long top. This gives a really practical costume. The smartest length for suit coats, is knee just above or below the knee. This gives desired warmth, and displays plenty of the

skirt. It gives a slim, long line that is extremely smart. The three-quarter and seven-eighths lengths. A whole new family of tweeds

have been born for this year's coats. They are as clever and as modern as the World's Fair buildings. Especially new and scheduled for unusual popularity are the stripe tweeds. These are great, bold, definite stripes. They are startlingly new, and in excellent taste for all sports and daytime wear. One suit has been fashioned with the stripes running horizontally in the skirt and vertically in the coat. This made a striking combination. Subtle stripes are also smart and are being used by foremost designers. Companionate tweeds are most carefully worked out this season. Skirts of one tweed, with jacket or coat of a companion that uses exactly the same colors. There are any number of suits with skirt of one tweed, jacket of a companion tweed, and topcoat matching the skirt. In this case the topcoat will usually have a skirt to match. A gay little hat that matches. Skirts are cut trim and slim, with only necessary fullness achieved by little tailored pleats near the bottom of the skirt.

Choice of Coat Styles
Suits offer a variety that is really unusual. There are many sweater coats, and semi-sweater. But newer than the sweater is the semi-fitted coat, and the box coat. Formal suits lean toward the semi-fitted style, and are usually just above the knee in length. Whether your fall suit shall be fur or not depends on you. There are just as many with fur as without. When a suit has no fur, there is usually a scarf or a closely buttoned up neckline. Formal suits use fox and kolinsky principally for trim. Casual suits are generally trimmed with kolinsky, raccoon, lapin, Persian or caracul.

HOOT GIBSON PICTURE TO BE SHOWN AT MARION

Plenty of action is promised in "The Dude Bandit," which will be shown Thursday, Friday and Saturday at the Marion. Hoot Gibson plays a dual role, first as a dumb, clumsy coward and secondly as a gaudy, colorful bandit. Hooper Atchley has an important role as the "heavy." Gloria Shea is the only woman in the cast, which includes "Seater" Bill Robins and Lyle McKee.

COMEDY, FEATURE BILLED AT STATE

A delightful comedy, "Professional Sweetheart," with Ginger Rogers and Norman Foster in the leading roles, and an interesting drama, "Afraid to Talk," made from the stage play "Merry Go Round," will be shown Thursday and Friday at the State. Eric Linden and Sidney Fox play the featured roles in the latter picture. "Professional Sweetheart" gives Ginger Rogers plenty to do as the "society girl" of the Ipswich wash cloth radio programs. Laughs come thick and fast.

DELEGATES NAMED TO TEACHERS' MEET

Mrs. Floy Wideman and Miss Martha Smallwood will represent the Marion City Teachers' association as delegates to the two-day convention of the Central Ohio Teachers' association in Dayton, Oct. 27 and 28. Speakers will include William Trufant Foster, President G. B. Oxnam of DePaul university, Superintendent Willis Sutton of Atlanta and Mark Sullivan, writer. Departmental sessions will be held with addresses by Dean Thyras Amos of the University of Pittsburgh, Dr. Howard Bigelow of Kalamazoo, Mich., Dr. Alfred Kinsey of Indiana university, Duncan McKenzie of New York City, Dr. Elsie Martens of the United States department of education in Washington, Dr. Louis C. Messman of Columbia university and Mrs. Agnes Winslow, national lecturer on music appreciation. Marion schools will not be dismissed for the convention.

BURGLAR ENTERS CLARIDON SCHOOL

A burglar who entered the Claridon township school building Monday night left without taking any loot and is believed to have been frightened away, according to a report today from the office of Sheriff C. C. Fye. Entry was gained by jimmying a window open. Several rooms were entered, including the superintendent's office, where about \$10 in money was overlooked.

DINNER PLANNED BY COUNCIL OF 100

Future of the Council of 100 will be decided at a dinner meeting of its members Thursday night at 6:30 in Hotel Harding. It was announced today by W. D. Brown, secretary. The meeting was called by Hoke Donithen, vice chairman. The Council has not met since its chairman, Dr. Carl W. Sawyer, resigned Aug. 2.

"Back to the Old Home Town"

Way Back—Years ago when we operated a furniture store in the Y. M. C. A. building and later in the Huber block we were proud of our reputation for Quality and Consistent Low Prices.

Today—some 25 years later—we are again in the furniture business in Marion, offering the furniture buying public of Marion and vicinity low priced merchandise consistent with good quality

This is an earnest invitation to all our old friends scattered over Marion and adjoining counties who remember the old store, to come in and renew the old friendships.

PHYSICIANS, NURSES AT HEALTH MEETING

Five From Marion Attending State Conference at Mt. Vernon.

Dr. N. Sifert, county health commissioner, Dr. Kenneth Smith, city health commissioner, Miss Florence McManis, city health nurse, Mrs. Alma Denney, acting county health nurse and Miss Mary Breckenridge, Red Cross nurse, left today to attend sessions of the annual conference of Ohio health commissioners in Mt. Vernon today and in Columbus Thursday and Friday.

The health commissioners are required by the state department of health to attend the conference. Sessions for public health nurses and other health workers are arranged in conjunction with the commissioners' conference.

WAR VET LEADERS EXPLAIN NEW LAWS

Talks Given at Armory on Legislation Affecting Disabled Ex-Service Men.

The new veterans laws were explained by Albert L. Daniels, of Greenfield, O., department commander of the Disabled American Veterans of the World War, and Brian J. Thornton, of Cincinnati, department adjutant and rehabilitation director, in talks given before a capacity audience of disabled veterans and other interested persons, last night at the armory.

Marion Chapter No. 22, D. A. V., sponsored the meeting.

Mr. Daniels' talk was confined for the most part to a discussion of the new laws. Mr. Thornton devoted his talk to explaining the process which disabled veterans should follow to reestablish their direct service connection claims. If the claim was cut off by the President's recent action on veterans' laws.

Mayor W. C. Phillips was introduced by the presiding officer, E. W. Koepfen, commander of Marion Chapter No. 22. Mayor Phillips gave a short address of welcome.

MRS. EDITH RICE, 47, IS TAKEN BY DEATH

Dies at Hospital While Being Prepared To Undergo Operation.

Mrs. Edith Rice, 47, of 378 Blaine avenue, died today at 9:20 a. m. at the City Hospital as she was being prepared for an operation to remove a tumor. Fat around the heart caused her sudden death. It was reported.

Mrs. Rice was born April 22, 1886, in Richmond county, to Elias and Emaline Shull Collins. She was married in Marion in 1902 to Jesse Martin Rice, who died four years ago.

Surviving her are her children, Mrs. Clarence Rice and Martin Rice of Marion, LeRoy Rice of Mount street, Mrs. Clarence Bowman of Marion, and Charles and C. R. Rice at home, 10 around children, a sister, Mrs. Wallace Johns of Upper Sandusky, and a brother, Charles Collins of Centerville, O.

Mrs. Rice was a member of the Kirkpatrick M. E. church where the funeral will be conducted Friday at 2:30 p. m. with Rev. W. Martell George of Wesley M. E. church in charge. Friends may view the body at the W. C. Boyd funeral home on South Main street.

DISTRICT MEET HELD BY LUMBER DEALERS

Nine Counties Represented at Session Here; Code Discussed.

Forty men from Marion and eight other counties attended a monthly meeting last night in Hotel Harding of district No. 11 of the Ohio Association of Lumber Dealers.

Following a dinner, the members were addressed by Mr. Schafer of Massillon, also a member of district No. 11. He explained the code in the light of the NRA code. No definite statements could be made, members said, since the lumber code is now awaiting approval of the NRA administration in Washington.

Virgil Peck of Cardington, district chairman, was in charge. Dealers attended from Marion, Wyandot, Union, Hardin, Logan, Morrow, Crawford, Delaware and Seneca counties. The date of the next meeting has not been set.

TO DECIDE POLICY OF PRICE FIXING

Continued from Page One.

Acts which advanced steeply for six months showed a reaction in September and dropped by one per cent as compared with August, although still 30 per cent above February.

"Boots and shoes, leather and other leather products showed advances in average prices causing the group of hides and leather products to increase by seven tenths of one per cent over the previous month.

"Metals and metal products as a whole continued upward during September due to advancing prices of agricultural implements, iron and steel, non-ferrous metals and plumbing and heating fixtures.

"The non-agricultural commodities group, which includes all commodities except farm products, advanced by about 2.13 per cent during the month.

GUILD MEMBERS GUESTS AT PARTY

Miss Emily Wingo entertained the Senior World Wide guild of Trinity Baptist church at a ball times party last night in the garage at the rear of her home on North Safford avenue. A winner toast in the alley, and later refreshments in the home, were a part of the social hour. Miss Evelyn Rachelier was the assisting hostess.

Plans were made in a business session that each member should contribute several books for a collection which the guild is planning to make for a needy family.

The new study book, "Christian Missions in America" was started last night. Miss Corbelle Yazell talked on "Six Elements of Wrong" and Miss Mary Dell Burchette spoke on "Aspects of Christianity." Guests were Mrs. Ralph Wingo, Mrs. C. R. Burchette, Mrs. Jerry Roberts, Miss Matilda Brown, Miss Anna Lawrence, Miss Mary Sells and Miss Laura Wood of Cleveland.

CLASS INITIATED
Two candidates were introduced at a meeting of Paramount Council No. 37, Daughters of America, last night in the Junior Order hall. Several applications were introduced and plans were completed for a card party Oct. 31 at the hall. Refreshments were served in a social hour.

C. OF C. ACTIVE IN PUBLIC AFFAIRS

Continued from Page One.

that may call for deepening of the Scioto river. The Chamber has joined hands with the Ohio Valley Conservation and Flood Control congress, which seeks to have the public works administration deepen the Scioto river eight feet, from source to mouth, to help control flood conditions in the Ohio river. This project, Chamber officials pointed out, would solve a flood problem in Marion county and would reclaim much land that is useless because of the constant flood threat.

Chamber Is Needed
Marion needs such an organization as the Chamber to act for it in matters of this nature, and to take the initiative when benefits for this city and nearby district are in sight, Mr. Brown said.

This is only one of a number of instances in which the Chamber has taken up the interests of the community when public questions came before public officials or boards.

Mr. Brown pointed to the activities of the Chamber a year ago in connection with the Marion Taxpayers' association, helping in bringing about a 15 per cent reduction in the valuation, for taxing purposes, of all real estate in the county. The Chamber's committee, with others from the Taxpayers' Association of Marion County and the Council of 100, appeared before the state tax commission and county officials in an effort to have this reduction made. Officers of the Chamber were used as headquarters for the group and handled much of the detail work, Mr. Brown said.

"In this one step, the taxpayers of Marion county were saved approximately \$122,000 in 1933," Mr. Brown said.

The Chamber, he continued, was instrumental in obtaining a right-of-way along the Marion Road (state route 221) from the Marion road to the Marion road, and the Nevada road (state route 221) to clear the way for improvement of the roads as planned by the state highway department. Work on this right-of-way, the Chamber probably would postpone until next year, Mr. Brown said.

Another Project
Another project of the Chamber is the movement of the Marion road (state route 4) to have that road to be a federal highway. The Chamber is working on this project, Mr. Brown said.

NEW FEDERAL FARM PROGRAM OUTLINED

WASHINGTON, Oct. 18—A half-billion dollar two-year program to bring corn and hog production into line with consumption today was the government's newest plan for saving farm prices.

It involves payment of as much as \$300,000,000 cash benefits to farmers, and purchase and distribution of 400,000,000 pounds of pork to the needy, in addition to the 100,000,000 bought recently.

A seine processing plant, starting Nov. 1 at 50 cents a hundred pounds and increasing to \$2 by February 1, is expected to raise \$100,000,000 in two years, with a similar tax of 30 cents a bushel on corn producing from \$100,000,000 to \$200,000,000. Corn growers will receive an additional \$40,000,000 from a fund provided in the national recovery act.

WASHINGTON, Oct. 18—Before long, some of the needy may have eggs to go with that ham and bacon the government is providing.

Farm administration officials have been studying the poultry situation for some time and have come to the usual conclusion—too many chickens and too many eggs.

NEW RELIEF SYSTEM REPLACES CITY PLAN

Continued from Page One.

he used the relief commission will approve all expenditures, they explained.

Second, it became necessary this week for the commissioners to name a relief officer to take charge of the distribution of 11,600 pounds of salt pork to be sent here soon by the federal government from slaughter houses in which it killed thousands of hogs in the last few weeks in an effort to rid the market of surplus. The commission, he learned yesterday of the plan of the government, through the relief commission, to send a shipment of distribution among persons on relief lists.

Under the setup outlined by the commissioners and the relief commission yesterday, Mr. Abel will have charge of both the general relief work and the distribution of the salt pork.

A relief of relief operations will be worked out by the commission. Mr. Abel and a representative of the state relief commission within a few days, it was announced. Although comparatively few details have been worked out, the commissioners said they were certain that a full-time, trained reliever will be furnished by the relief commission to assist Mr. Abel in overseeing all relief work in the county. Mr. Abel will receive a monthly relief director.

City Takes Bulk
The bulk of direct relief work in Marion county this year has been done by Marion city, which has spent \$102,000 in federal and state funds in the last 10 months in the care of an average of more than 1,000 families. It was estimated by officials that the combined work of the townships would be on a par with these figures. The county has spent comparatively little for direct relief, and will be expected to take the major part of the relief work, Mr. Abel said.

Through the county auditor and treasurer as in the past, the commissioners said, they were called to Columbus yesterday for the state relief commission and instructed to create the new relief program immediately. Mr. Abel was selected by the commissioners when the relief commission asked them to designate a county relief director.

SINCLAIR COMPANY AGENTS MEET HERE
Twenty-five delegates of the Sinclair Refining Co. in Marion and Morrow counties are here for a dinner meeting in Hotel Harding last night to discuss a business campaign being conducted by the company. RED CROSS LEADERS MAKING DRIVE PLANS

National Representative Gives Approval to Program Outlined Here.

Officers of the Marion chapter of the Red Cross chapter are planning a drive to raise money for the Red Cross. The drive will be held in the city hall on Oct. 15 with a goal of \$100 and 200 members.

W. S. Hopper, a representative of the American Red Cross, is spending part of his time here outlining local chapter efforts and will assist with the drive. His efforts are offered by the Red Cross National Headquarters as an example of the local chapter. Mrs. J. E. Queen is chairman of the drive.

At a meeting of the chapters executive committee Monday night, Hopper approved plans so far lined up for the drive, and the executive committee. Reports of September activity were given by Miss Mary Breckenridge, chapter nurse, Mrs. L. K. Warner, chairman of the nutrition committee, Miss Alice Hane, chairman of the production committee and E. Paul Bowman chapter treasurer.

Troops Building Up Nazi Organization
By The Associated Press
VIENNA, Oct. 18—A nationwide Nazi military organization has been developed in Austria, it was disclosed today, despite the handicap of the party's dissolution in this country.

The wide spread movement came to light as government investigations continued into alleged Nazi plots at the Linz garrison and elsewhere to seize arms for use in "further action."

Outstanding in the disclosures is the fact that Nazi storm troops no longer are being organized by civilians, but are in the hands of Austrian army officers—either active or recently retired.

Higher officers, it appeared, either are not involved or as a matter of policy are being shielded from compromising themselves. Lieutenants and captains make up the active membership.

Pamphlet Backing Hitler Distributed
By The Associated Press
GENEVA, Oct. 18—An anonymous pamphlet which defended the principles of Chancellor Adolf Hitler and outlined a foreign policy for the new Germany aroused comment in international circles here today.

Titled "Germany's National Awakening," the booklet is printed in English.

It was given sudden importance through the declaration of the Journal des Nations that numerous German organizations had urged worldwide distribution to enlighten foreign peoples and restore their respect for Germany.

Even Napoleon, said one of the passages in the pamphlet, did not hit upon the corridor idea when setting up an independent Polish state.

Then the chapter on foreign policy set forth that one of the paramount aims of the new Germany is to attain "by way of treaty revision a more logical and less exasperating demarcation of Germany's eastern frontier."

After stating that there was no instance in the world of a country being torn asunder to create access to the sea for one of its neighbors, the pamphlet said:

"Nobody would contemplate the idea of creating a corridor on French or Italian territory from Lake Geneva to Marseilles or Toulon to Venice to provide Switzerland access to the sea."

Hitler Sets Price of Reconciliation
BERLIN, Oct. 18—Support of his foreign policy was offered by Chancellor Adolf Hitler as the price of reconciliation with his former domestic opponents in a speech to subleaders last night.

The address, which was made public only at noon today, also contained the opinion of the chancellor that his predecessors had fallen victims of the "Geneva illness."

The chancellor emphasized that the campaigns for the Reichstag election and the German plebiscite would be focused solely on the foreign policy question.

Hitler expressed the opinion that the campaigns would reconcile the entire nation provided his opponents stood for the German honor and love of peace.

"With the same determination with which the Nazi movement the past 14 years fought for its rights," the chancellor declared, "Germany will insist upon her right to equality."

DOCTORS WINNING ANAEMIA BATTLE

By The Associated Press
CLEVELAND, Oct. 18—Seven years ago, 177 cases of anaemia were reported in Cleveland, says a study of the city's health records. Today, only 10 cases are reported.

The study, which was made by the Cleveland Health Department, shows that the number of cases of anaemia has decreased by 94 per cent in the last seven years.

The study also shows that the number of cases of anaemia has decreased by 94 per cent in the last seven years.

BETTER FACILITIES SOUGHT FOR INSANE

Ohio To Ask Federal Grant for Improvement of Institutions.

By The Associated Press
COLUMBUS, Oct. 18—Amidst improved methods of caring for Ohio's mentally ill, the state welfare department will ask the federal government for a \$400,000 grant and then draft plans for shifting part of Ohio's insane population.

The moves, Director John McSweeney said, would provide more treatment for the mentally ill in state hospitals.

With the \$400,000 he said, the state would be able to complete and other buildings remodelled. The state would pay back the money with funds received for the care of pay-patients in state hospitals.

McSweeney said many patients now in the Lima state hospital for the criminal insane, could be moved to new buildings, because they are not patients with criminal tendencies.

Those of backward or abnormal tendencies now in Ohio, pending trials, London prison farms, Mansfield and Marysville reformatories, and the Delaware and Lancaster juvenile schools could be moved to Orient and Lima for needed medical care and treatment.

MASQUERADE PARTY PLANNED BY GRANGE

Grand Prairie Group Arranges Entertainment Program for Oct. 31.

Plans were made for a masquerade party and entertainment which will be open to the community and public on Oct. 31, at a meeting of Grand Prairie grange last night in the school building northwest of Marion. Members and guests are asked to wear masquerade costumes. Entertainment will include radio performers from Lima.

Mrs. C. M. Peterson was named chairman of the refreshment committee. She will be assisted by Mrs. Ralph Lucas, Mrs. Elmer Dean and Mrs. William Risch.

The literary hour was devoted to an informal discussion of the repeal of the Eighteenth amendment, the 10-mill limit tax on real estate, county home rule and the old age pension bill to be voted on this fall. No action was taken by the group.

Rev. T. O. Copus Passes Away at Home; Was Spanish War Veteran.

Special to The Star
BUCYRUS, Oct. 12.—Rev. T. O. Copus, 57, pastor of the North Presbyterian church, died at his home here yesterday afternoon at the age of 57. He had been ill for several days.

Rev. Copus came to Crawford county eight years ago. He served as president of the Crawford County Council of Religious Education until his health forced him to retire this spring. He was a veteran of the Spanish American war, a 32nd degree Mason and a member of the Order of Eastern Star and Knights of Pythias.

Surviving him are his mother, Mrs. Lantia Copus of North Baltimore, his widow, Mrs. Mabel Turner Copus, to whom he was married in 1897. Five children, Mrs. June Wilson of Findlay, Mrs. Mary McFarland of Bowling Green, Pauline of Mansfield and Esther and Mary Zoe, at home, six grandchildren, a brother, J. C. Copus of Hollywood, and three sisters, Mrs. Elizabeth Baker of North Baltimore, Mrs. Emma Cook of Duane, and Mrs. Maggie Culp of McComb.

The funeral will be conducted Thursday at 1 p. m. at the Buryrus U. B. church with Rev. R. A. Powell of Bowling Green, superintendent of the Sandusky conference of the U. B. church, officiating.

Special to The Star
Ashtabula City Solicitor John Wiedemann, 29, of 316 East Walnut street, is in a serious condition today at the city hospital following an emergency operation early this morning for removal of a ruptured appendix.

Mr. Wiedemann did not feel well Sunday night and remained in bed Monday and Tuesday. Last night his condition became worse suddenly, and at 1:30 a. m. today he was removed to the hospital and operated on immediately. Dr. A. A. Starnes performed the operation, assisted by Dr. Kenneth D. Smith, Dr. E. H. Morgan administered the anesthetic.

The outcome of the operation will not be certain for three or four days, the attending physicians said this morning.

Mr. Wiedemann is a member of the law firm of Patton & Wiedemann.

CALEDONIA W. C. T. U. MEETS AT CHURCH

Special to The Star
CALEDONIA, Oct. 12.—In the absence of the president, Mrs. G. W. Douce presided at the meeting of the W. C. T. U. yesterday afternoon in the basement of Memorial M. E. church. The chairman of the Watch Me Grow fund reported \$1 made last month. The following papers were read: "What We Need," "Advance, Not Retreat," "Song of the Bar-room," "Will We, Will We Not," "Heer is the Most Harmful of Alcoholics," "England's Drink Bill in 1830 Was Three Times the Milk Bill and More Than Three Times the Bread Bill," and "Revenue from Vice." The meeting was closed with a pot luck lunch. The November meeting will be held at the home of Mrs. S. C. Price.

G. W. Douce was complimented with a surprise Friday evening in honor of his seventy-third birthday anniversary. A two-course dinner was enjoyed with covers placed for Mr. and Mrs. E. J. Carmoney, Mr. and Mrs. Ray Bruden of Springfield, Rev. and Mrs. Marcus Grether and children of Mansfield, Mr. and Mrs. R. R. Douce of Marion, and Mr. and Mrs. G. W. Douce. The table was decorated with flowers and centered with a birthday cake. Mr. Douce was remembered with a number of gifts.

Organist Scores Hit in First Public Appearance

A program of organ music which would do credit to even a more mature performer was presented by Edwin Irey in a recital last night at the First Presbyterian church. The young organist, who received his baptism of music at the age of five, has been playing since the presentation of his musical program and was presented under the auspices of the Marion Organ Recital club. Appearing on the program with Mr. Irey was Miss Madeline Dunlap of Bucyrus, a young and talented soprano, whose singing in the lecture recital with the Marion Organ association and on other occasions had made her a popular favorite with local music patrons. Miss Dunlap's accompaniments were played by Mrs. Harold K. Mosley.

Presenting Three Groups
Mr. Irey presented his selections in three well-balanced groups ranging from the majestic "Prelude and Fugue in G Major" by Bach to the modern and ever popular "Largo" from Dvorak's "New World Symphony." It was in the first named number that the young musician displayed his thorough interpretation of shading and technique and his mastery of the organ. The number was the second of his first group which opened with "Chorale Prelude" by the same composer.

Particularly pleasing was the first number of his second group, "Hells of St. Anne de Beaupre," Russell, played with the effects of the organ. The second number of the group was "Chant d'Amour," Gillette and the concluding one, "Overlark's Largo." He chose for his concluding group a tone poem, "Harmonies du Soir," Karg Elert, and the sparkling "Toccata" from the fifth symphony by Widor.

Miss Dunlap sang two groups, her first including Brahms' "Good Night," "Sonnet d'Amour," Thome and "Morgen-Hymne," Henschel. Equally delightful were the songs of her second group, "Were My Song with Wings Provided," Hahn, the plaintive "At the Cry of the First Bird," Gulon and a lilting air, "The Answer," Terry. Mrs. Mosley's accompaniments were pleasing complements to the vocal groups.

Bartram Speaks

The entertainers were given a generous applause at the close of their groups. During a short intermission a short talk was given by John Bartram, in the interest of the sponsoring club.

Mr. Irey is the son of Mr. and Mrs. Scott Irey of 209 Summit street. He was graduated from Harding High school with the class of 1925. In Cincinnati he studied with Parvin Tutus, Fellow of the American Guild of Organists and in Marion he was a pupil of Mrs. Victor E. Pombanigh. He is a new member of the Marion Lecture Recital club.

Girl to Woman

THE young woman who suffers from monthly pains, or the woman who suffers from weakening drains, should take Dr. Pierce's Favorite Prescription. Miss Minnie Walker, Pike, Dayton, says: "When I was developing into womanhood I would have terrible tearing pains, followed by very dizzy sick-headaches, was weak and tired and so irritable I did not care to have any one talk to me. I also became very pale. Immediately after I started taking Dr. Pierce's Favorite Prescription I was greatly relieved of the suffering. I have had no more trouble, am in the best of health." Sold by druggists.

Federation Will
Sponsor Series
of Book Reviews

PLANS were made to sponsor a series of book reviews by Mrs. Depew Head of Columbus at the meeting of the executive board of the Marion County Federation of Women's clubs yesterday in the recreational room of the First Presbyterian church. Mrs. Head, a past president of the Marion County Federation, has been heard in book reviews by club and federation members on former occasions.

The reviews will be held each month and will be open for enrollment to persons interested in the course. The sum of \$10 was contributed to the Margaret Harder Pan-American scholarship fund. It was voted to continue contributing funds netted from patroness tickets to the school nursing fund. Mrs. Louis Uhl, chairman of the work for the blind urged the clubs to plan for sponsoring sales of articles made by the blind workers this year. "From Darkness and Ignorance to Opportunity and Service," she said. Mrs. Henry R. Stauffer, literature chairman announced "All Men Are Enemies," by Richard Aldington, as the new book for the month. Announcement was made of the roundtable marathon study class on international affairs and problems to be organized tonight under the direction of Mrs. W. N. Harder.

Plans were made to sponsor the motion picture, "Voltaire" starring George Arliss Oct. 29 to Nov. 1 at the Ohio theater.

Federation meetings this year will be held in the ballroom at Hotel Harding and board meetings will be in the recreational room at the First Presbyterian church. The November meeting at Hotel Harding will be sponsored by the Research club.

Homemaker's
Question Box

Question—I have a silk crepe dress and the first time it was washed all the crepe effect disappeared. What caused this? Answer—The disappearance of crepe from the material after washing may have been caused by one of two things. After you washed the dress you may have ironed the material when too wet with an iron that was too hot and too heavy. If this was the case, the garment is more than likely larger than it was before you washed it. Usually this may be remedied by holding the garment in the steam.

"MY THIRTEENTH CHILD
and SEVENTH SON"—

Says Mrs. Conway of 20 N. Federal Street, Lynn, Mass.

"I am the mother of thirteen children, eleven of whom are living. The youngster in the picture is my seventh son. I was weak and tired and suffered from nervous headaches. My sister recommended Lydia E. Pinkham's Vegetable Compound and it helped me a lot."—Mrs. C. Conway.

"When we were married I started taking Lydia E. Pinkham's Vegetable Compound. Eleven months later we were blessed with a darling boy who weighed 8 pounds. Last June another little son was born who weighed 9 pounds, 10 ounces. I am feeling fine and doing all my work. The children are strong and healthy, thanks to your medicine."—Mrs. Joseph Montigny.

"I didn't believe what other women told me about your medicine until I tried it myself. I took six bottles before Vincent was born. He was eighteen months old when this picture was taken and he is strong and well."—Mrs. Josephine Scaglione.

DWINDLING HOSPITAL LIST BOOSTS MARION HOPES FOR TRIUMPH

Chappell Injured but Squad as Whole in Much Better Condition.

Having absorbed two successive beatings in the last two weeks and both by decisive margins, Jack Chappell's Harding High grid players are working at a rapid clip in practice sessions this week as the red and black mentor seeks to weld the team into a formidable enough machine to stop the high powered Findlay Eleven. The President's team will invade Findlay stadium in the Hancock county city Saturday for a double header, the reserves and varsity both being scheduled to perform.

Trailing Findlay and at the same time maintaining hopes of climbing back into the victory column would not appear in the light of fact. Harding Findlay encounters to be particularly consistent, but the President's do not seem in the least perturbed about the fact they haven't beaten a Findlay combination since 1920. Fully aware there are a lot of defects in the machine which must be repaired if they are to have a chance of marking up a victory Saturday, Chappell's charges are going about the task of smoothing out the rough spots in a spirited fashion.

In Better Condition
Despite the fact the team was given a rather thorough mauling by Bucyrus last week, the President's came through with fewer injuries than in any game this season and are in the best physical condition now of any time this year. Chappell, right end, is the only addition to the casualty list. Chappell injured a leg but may be available for play by the end of the week.

Ingmire and Short, a pair of husky linemen, are in uniform again although still bothered to a certain extent by their hurts. Junior Danner is rounding into form after a long sideline stay and his presence in the backfield promises to be a big help. Danner will provide welcome aid for Whitcomb in both passing and kicking and can also carry the ball and do his share of blocking.

Aerial Defense Problem
The biggest job facing Chappell this week is the devising of some means of stopping the Findlay aerial attack. The President's downfall in the last two games can be traced in a large degree to their failure to halt enemy air raids. Bucyrus passed them dizzy last Saturday. Findlay is likely to do the same thing unless the defense is strengthened.

Harding's inability to check the Bucyrus overhead losses was not altogether unexpected inasmuch as the new backfield combination had little time to practice on aerial defense. The same situation isn't likely to exist to such a large extent this week. Harding is getting plenty of drill along this line in the daily workouts.

If Harding is able to meet with at least fair success in stopping air raids, the Findlay game should develop into pretty much of a battle. The President's running attack can be depended on to take care of itself fairly well and Findlay is not likely to do a lot of wading through the husky Marion forward wall.

BUCKEYE FOLLOWERS CONFIDENT OF TAKING MICHIGAN "FOR RIDE"

William, However, Pessimistic as He Views Wolverines' Running Attack.

By The Associated Press
COLUMBUS, O., Oct. 18.—While "Sad Sam" William pondered the chances of his Buckeyes against Michigan next Saturday, an enthusiastic and trusting campus population, encouraged by the power shown in two games, began preparations for a rally to spend their lads to the wars.

Meantime, athletic authorities sent out a hurry call for another batch of tickets for the Michigan stadium. The first block of pasteboards gone, indications are at least 10,000 Columbus folk will treat to Ann Arbor for Saturday's tilt.

The players themselves are taking it easy. There will be no scrimmages before the Michigan game, William announced. But there will be lots of skill work, tight blocking drill—and a tireless practice against Michigan's passing attack.

The regulars lined up yesterday against a brassy freshman team fortified with Kipke's combinations, but J. L. "Scotty" Weston, intermediary between the team and the press, admitted the varsity did not measure up as well as hoped.

The campus was getting ready for pep speeches, a bonfire, a band concert and a parade to hear the departing glidders Thursday night.

But listen to "Sad" Sam William: "We didn't beat them last year. They had no running attack then. Now they have one and it clicks too. Michigan is twice as dangerous as it was last year."

"Kipke hasn't anyone fooled about not having a passer this year. He just hasn't used one yet, and what has he worried are those forward passes that will fill the air. Rogers' punting, Michigan's line holding against our rushes, my own combinations. Sure, we have a good ball club," William said "but it takes an extra good team to beat that bunch."

A searchlight that projects a narrow beam of intense light has been invented for use at night to measure the height of clouds.

Shakeup Looms

FROM a point of view in the North Central section, it is about due to a shakeup in the college football scene which has been threatening to come about for some time.

Ashland, Ohio, is the center of the idea of a new conference, being formed by teams from Mansfield and other schools in the area.

The Mansfield school appears likely to be the pivot point in the district would be an invitation to join the group.

Personally, I don't think much of the league as it stands now. There are, I believe, several changes which might be made for the better. Things are going now too smoothly now and a reorganization would probably help out all around.

Challenge by Greys

MAYBE the 1933 baseball season in Marion isn't over yet. When Clark's Market and the Marion Merchants-Greys, colored, met at Lincoln park last Sunday in the final game of a three-game tournament, the contest was billed as the last game of the season here.

The idea didn't go over so big with Harry Adams, manager of the Greys and he lost no time in relaying his opinions to this desk when the result was published Monday. The Greys' plot was to play the game over next Sunday, a full nine innings. He has issued a challenge to the Clark nine to that effect. Until it is played over, Adams has no intention of listing the game on the last side of the Greys' won and lost ledger for the season.

Despite the fact none of the individual bowlers on the team were able to turn in any particularly high scores in the three games last night, the Markert & Lewis Haberdashers finished on top in all three games and clung to first place in the All-Star league standings. The Haberdashers are now the only undefeated team in the loop, having won six straight games.

L. E. Cookston, rolling under the individual honors as he copped the highest score both for a single game and for three games. Cookston scattered the maples for a 264 score in his third start and his three games totaled 633. The Coca-Cola team scored with 943 and the league-leading Markert & Lewis with 2,706.

NOTED TRACK COACH STRICKEN SUDDENLY

UNDEFEATED TEAMS TO CLASH SATURDAY IN GRID CONFLICTS

Fifteen Major Games Throughout Country To Match Unbeaten Foes.

By The Associated Press
NEW YORK, Oct. 18.—Under football engagements this week and the clash of falling favorites will be heard from one coast to the other.

The east offers seven of these duels of unbeaten teams and the mid-west six, the other two being shared by the southwest and far west.

In the east the Princeton-Columbia, Penn-Dartmouth, Harvard-Holy Cross, Fordham-Boston college and Yale-Brown games all may have an important bearing on the race for sectional honors while Carnegie Tech and Duquesne, in their duels with Notre Dame and Detroit respectively, will be staking undefeated records against powerful intersectional foes.

Ohio vs. Michigan
The middle western slate yields to the east only in point of numbers. The clash of mighty Michigan and mighty Ohio State seems most important because of the strong possibility that the winner ultimately will be crowned Big Ten champion.

The Big Ten hopes of Purdue and Chicago likewise hang on their meeting at Chicago but this game will have to yield in point of general interest to the two big intersectional battles, involving Pitt and the Army whose comprehensive schedules annually entitle them to national recognition so long as they win. Pitt invades Minneapolis for a crack at Minnesota's Gophers, a powerful but unlucky outfit which so far has been tied twice by Indiana and Purdue. Army with its lightest and fastest team in years, tackles Bob Zuppke's illini at Cleveland with the outcome in doubt.

Nebraska Meets Kansas
Completing the mid-west list of contests involving undefeated teams, Nebraska and Kansas State meet at Manhattan, Kan., while Kansas meets Tulsa, a power in the Oklahoma "big four" whose ranks have dwindled to three now that Phillips has abandoned football.

Oregon State's winning streak seems due for rude interruption in the forthcoming stand against Southern California's Trojans, while in the southwest, Arkansas and Louisiana State will seek to ruin each other's records at Shreveport.

WRESTLING RESULTS

NEW YORK—Ray Steele, 215, defeated Al Brown, 201, 14-10. NEWARK, N. J.—Frank Man (Montclair) threw Bruno Giarritto, 202, 3-0 and Jim Henry, 225, in 1-0. (Wrestled twice.) PITTSBURGH, Pa.—Hans Steinkamp, 210, defeated Thew Frank Bruno, 220, 3-0. AKRON, O.—Paul Valles, light heavyweight, Massillon, O. defeated Tom Gallos, Cleveland, 7-17. Gallos injured ankle.

FOUR FIGHTING FOR CAIN'S POST None, However, Appears Able To Fill His Shoes

Alabama's crimson Tide didn't realize how greatly it would miss the brilliant John "Hurricane" Cain until he was gone. The huskies above, from left, Joe Demynovich, Riley Smith, Clarence Rohrdanz and Larry Hughes, are carrying on a four-cornered battle for the departed star's halo. That's the great "Hurricane" booting one in the background.

By The Associated Press
TUSCALOOSA, Ala., Oct. 18.—Who will fill the big shoes left empty last June with the graduation of John "Hurricane" Cain, the greatest fullback Alabama has seen in many years?

Coach Frank Thomas has four answers and he is trying to figure out which is correct. Whoever wears those shoes will have a man's size job if he keeps up with the fast pace John Cain set in punting, blocking, line plunging and building the morale of the team.

The full extent of the Tide's loss was not realized until the second game of the season, when Mississippi held Thomas' pupils to a scoreless tie. Alabama gained acres of ground in that game, but lacked a scoring punch when it was most needed and fumbled all too frequently.

None of Cain's prospective successors stood out brilliantly, and Coach Thomas was none too happy as he prepared for the big tussle with Tennessee on October 21. Joe Demynovich, "the Russian Bear," came with a rush and put in first bid for the job. He weighs 187 pounds and most any coach would welcome him to the squad.

Larry Hughes, 184-pound senior, was Cain's understudy last year and many thought he would win in a walk but they reckoned without Demynovich, Riley Smith, the heaviest man in the Alabama backfield—he weighs 194—and Clarence Rohrdanz.

Each has some of Cain's prowess but none possesses his combination of fleet feet, a nifty punting toe, mule-like stubbornness in line bucking and qualities of leadership that made the team play harder in the face of the foe's mounting score.

Coach Thomas wants the man who wears Cain's toga also to wear his halo. And so he is putting the four through critical tests before deciding.

By The Associated Press
NEW YORK, Oct. 18.—A couple of quarterbacks who were All-American selections in their college days at Michigan, Benny Friedman and Harry Newman, are waging a close fight with Arnold Herber for the lead in forward passing in the National professional football league.

Newman, in five games with the New York Giants, has completed 17 passes in 36 attempts for a gain of 353 yards while Herber, Green Bay star, has completed 27 in 57 for 371 yards. Friedman, now with the Brooklyn Dodgers, has a higher average than either of his rivals, completing nine out of 11 for a gain of 163 yards but has played in only two games.

Paul Moss, former Purdue end, now with Pittsburgh, and Luke Johnson of the Chicago Bears, set the pace as pass receivers. Each has caught nine. Johnson, for a gain of 138 yards and Moss for 143. Cliff Battles has gained 447 yards for Boston, while Jim Musick with 273 is his closest rival. Ace Gutowsky of Portsmouth is next with 238 yards.

MIAMI - OHIO BATTLE MAY DECIDE WINNER OF BUCKEYE CROWN

Redskins Lead League But Face Difficult Test Against Bobcats.

With the season only a few weeks gone, the Buckeye conference grid championship may be decided this weekend when Miami Redskins, winners of the title last year, meet Ohio university today at Athens.

Miami is back at the top of the standing this season, as the result of its 42 to 14 victory over Miami which had been rated as one of the dark horses. Ohio had played a Buckeye conference game as yet, but has looked exceedingly strong in non-conference play.

Born Miami and Ohio have excellent early season records. Miami lost to a Big Ten team by only a touchdown, Miami losing to Ohio, 13 to 6, and Ohio to Purdue, 13 to 6. Since then Miami has defeated Hanover, 14 to 0, and Marshall, Ohio won from Morrissey and Franklin by 19 to 0, scores of 61 to 0 and 75 to 0, respectively.

A great battle is in prospect at Athens, especially since Ohio will be seeking revenge on its home field for the stunning 16 to 0 defeat at Miami's hands last year at Oxford. The loss put Ohio out of the running for the Buckeye title at that time, and now Coach Peden's boys will be out to win Miami's hopes this year.

This weekend will find all conference teams playing one another. Second only to the Miami-Ohio battle is the annual battle between Wittenberg and Ohio Wesleyan Saturday afternoon at Springfield, while on Saturday night Marshall will essay a comeback in a game with Cincinnati under the lights in Cincinnati.

Cincinnati and Ohio Wesleyan both will be playing their first Buckeye game of the season. Cincinnati has a fine early season record with its goal line being uncrossed, although University of Kentucky kicked a field goal last Saturday night that gave Kentucky a 3 to 0 win over the Bearcats. In previous games Cincinnati defeated Rio Grande, 20 to 0, and the University of South Dakota, 10 to 0.

Back from its unsuccessful invasion of Syracuse, where the Blue boys lost, 40 to 0, the Ohio Wesleyan eleven will try to get back into the winning column against Wittenberg, and incidentally will seek to get off on the right foot in the fight for the Buckeye title.

Ohio Wesleyan had won Heidelberg, 28 to 7, and from Dayton, 22 to 10, before succumbing at Syracuse.
